Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

Individuals & Businesses

UCA 36-12-13(2)(c)

Enactment of this legislation could increase costs for title insurance providers. It is estimated that additional policy coverage requirements could cost producers between \$500 and \$5,000 annually. Additionally, enactment could decrease the total compensation amount received by public adjusters.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation could result in a small increase in the regulatory burden for Utah residents or businesses.

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal explanations estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal explanation is not an appropriation. The Legislature decides appropriations separately.
