**Local Government**

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct, measurable costs for local governments.

**Individuals & Businesses**

UCA 36-12-13(2)(c)

Enactment of this legislation may cost individuals and businesses up to \$200 in fees every two years to license as a carbon credit broker beginning in FY 2027. Enactment may also cost individuals and business a variable amount to maintain a bond while acting as a carbon credit broker. To the extent that individuals and business purchase carbon credits, enactment of this legislation may increase tax liability by an unknown amount due to the 25% tax on carbon credit transactions beginning in FY 2027. To the extent that individuals and business purchase in-state carbon credits, their increased tax liability may be partially or completely offset by the tax credit on in-state carbon credit transactions beginning in FY 2027.

**Regulatory Impact**

UCA 36-12-13(2)(d)

Enactment of this legislation could result in a small increase in the regulatory burden for Utah residents or businesses.

**Performance Evaluation**

JR1-4-601

This bill creates a new program or significantly expands an existing program. For a list of questions lawmakers might ask to improve accountability for the proposed program, please see: <https://budget.utah.gov/newprogram>

**Notes on Notes**

Fiscal explanations estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal explanation is not an appropriation. The Legislature decides appropriations separately.
