Local Government

UCA 36-12-13(2)(c)

To the extent that inmates with a jail sentence of at least six months do not have a current driver's license or state ID and request assistance in obtaining one, the sheriff's office will be required to assist them in applying for a driver's license or state ID card. Also, county sheriffs would be required to provide a voucher for payment equal to the cost of a temporary identification card, or \$23 per inmate. The total amount, however, is unknown.

Individuals & Businesses

UCA 36-12-13(2)(c)

Enactment of this legislation could provide a voucher of \$23 to certain inmates of county jails without a current and valid driver's license or identification card.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Notes on Notes

Fiscal explanations estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal explanation is not an appropriation. The Legislature decides appropriations separately.
