Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation could cost a county or municipality an unknown amount of personnel costs that can be absorbed to provide public notice, conduct a hearing, adopt a final resolution, and establish a new service fund as legislative bodies have different configurations and frequency of withdrawals from certain special districts is unclear. To the extent that a garbage collection district and municipality or county cannot reach a withdrawal agreement, enactment of this legislation could cost a municipality or county up to \$20,000 one-time for a feasibility study.

Individuals & Businesses

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct expenditures from tax or fee changes for Utah residents and businesses.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Performance Evaluation

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal explanations estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal explanation is not an appropriation. The Legislature decides appropriations separately.
