Local Government

UCA 36-12-13(2)(c)

To the extent a legislative body is listed as an appeal authority in a land use ordinance, enactment of this legislation could cost a municipality or county up to \$500 one-time to revise the land use ordinance. The aggregate amount of these costs is unknown.

Enactment of this legislation could cost counties approximately \$300 one-time per modified incorporation request for notifying added land owners. The aggregate amount is unknown.

Enactment of this legislation could cost a county or municipality \$150 for updating planning commission ordinances to address planning commission member removal. The aggregate impact to counties and municipalities is estimated to be \$42,600 one-time in FY 2026.

Enactment of this legislation could cost specified municipalities \$1,000 for adopting land use regulations related to detached accessory dwelling units. The aggregate impact to these cities is estimated to be \$97,000 one-time in FY 2026.

Individuals & Businesses

UCA 36-12-13(2)(c)

Enactment of this legislation likely will not result in direct expenditures from tax or fee changes for Utah residents and businesses.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.

Performance Evaluation

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal explanations estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal explanation is not an appropriation. The Legislature decides appropriations separately.
